Technical Skills

- Medical neuroscience
- Programming: Python, MATLAB, Java, C++.
- Modeling Software: MATLAB, Catia, Amesim, .
- Tools: Microsoft Office

Soft Skills

- Communication and Leadership
- Attentive & Analytical
- Adaptive & Flexible

Language Proficiency

- French - Native (Voltaire)
- English - Proficient (TOEIC 980)
- Spanish - Intermediate
- Chinese - Basic

Hobbies

Martial Arts : Taekwondo (Red Belt), Judo (Brown Belt),
Team sports : Rugby & Soccer
Music : Piano (Playing for 7 years)
Science : Astronomy, Cosmology, Archaeology

Engineering Student

Medical Engineering

Neuroscience - Computer Science

Education

Engineering School

EPF Engineering School Paris

Master - Medical Engineering - 09/2023-Present.
Bachelor - General Engineering - 09/2019-06/2023.

Exchange Program

天津大学 - Tianjin University

Intelligent Medical Engineering - 09/2023-01/2024.
Computer Sciences - 09/2024-Present.

Duke University - Online class

Advanced Medical Neurosciences - 08/2024 - Present.

High School

Scientific Section - 09/2016-06/2019.
Baccalauréat with honours.

Work Experience

Internship

Zen2050 Maintenant | Paris | Summer 2022

Authored detailed specification documents for the annual event, contributing to its successful planning and execution.
Analysed previous event data to design and propose engaging activities, ensuring their feasibility and relevance for future events.

Jobs

Outlier Agent | Remote | Current - Since January 2024

Provide detailed human feedback on language learning models (LLMs), contributing to the improvement of AI systems by identifying errors, offering corrections, and enhancing the models' understanding and performance.

Coordinator | Paris 2024 Olympic Games | Summer 2024

Played a key role in the logistics and coordination team, ensuring smooth operations and efficient management of resources for the event.

Private Tutor and Esport Coach | Summer 2022 & 2023

Delivered personalized tutoring and coaching sessions in French and English, adapting to various skill levels to improve students' understanding and performance.

Shelf-Stacker/Cashier | Auchan, Paris | Summer 2020 & 2021

Maintained inventory and supported efficient checkout processes, contributing to overall store operations.
